	3 cabin air filter replacements (includes HEPA filters)
	1 wheel alignment with up to 1 hour of alignment calibration
	1 replacement set of front and rear brake pads and rotors
	2 brake fluid flushes
	2 EV battery coolant flushes
	1 12V auxiliary battery replacement

Exclusions³

Any invoice presented to the administrator for payment of services not performed as described at the time of authorization. Any claim if the covered vehicle is used for competitive driving or racing, or for a prohibited commercial purpose. Any services not specifically listed as covered.

1. EV Term Protection coverage runs concurrently with any applicable manufacturer's warranties. Coverage begins on the Agreement Purchase Date and expires upon the earlier of (1) the redemption of all covered services purchased or (2) when the number of months listed for the Agreement Coverage Term is reached. **2.** Please see your Agreement for a complete list of covered components. **3.** Additional exclusions may apply. Please see your Agreement for specific coverage details, including limitations and exclusions.

The One Protect EV Term Protection product is optional and is not insurance. All transactions related to the optional product are governed solely by the provisions of the One Protect EV Term Protection Service Contract ("Agreement"). Please refer to the

Agreement for details of terms, conditions, and specific coverage, including limitations and exclusions. Coverage and product availability may vary by state. This document provides general information about the One Protect EV Term Protection product and should not be solely relied upon when purchasing coverage.

The Administrator/Obligor of the EV Term Protection product is Safe-Guard Products International, LLC, Two Concourse Parkway, Suite 500, Atlanta, GA 30328, 833-951-0126.
